

Grandfriends at Birchwood School K-4

Tell a Grandfriend to Save the Date!

Friday, October 28th, 2011

Grandparents are invited to join K-4 students for an afternoon of singing, crafts, projects, and fun!

Grandparents can't make it?
No problem! Invite a grandfriend instead –
neighbor, family friend, etc.

Students and grandfriends will be assigned to a multi-grade group and will travel from room to room for different activities. Siblings will be grouped together.

Closer to the time of the event, students will make formal invitations to give to their grandfriends.
