

DISCOVER ONE OF CLEVELAND'S HIDDEN GEMS

Birchwood School

Since 1984

A premier, private education for bright and gifted children in grades K-8. Offering experience, expertise, parental collaboration and a curriculum that is time-tested and research-based, enabling our students to gain local, state and national recognition for their academic work.

"The SEARCH is over. At Birchwood we found the right learning environment for our gifted, seventh grade daughter. Although our public school system is rated excellent, her gifted learning needs were not met. Now she is challenged, no longer bored, and I do not have to seek enrichment activities outside of school."

West Side parent

OPEN HOUSE WEEK

February 6 - 10

9 A.M. - 2:30 P.M.

Tour the school, talk to staff, meet with the founders and discover education at its finest. Day tours by appointment, arranged through the main office.

For information or to set up an appointment call our admissions office at 216-251-2321 or visit our web site www.birchwoodschoool.org
