Birchwood Students Place Third in Aeronautics

Cleveland-Birchwood's Pilot team composed of **Sahej B, Favian B, Laurie C, Nikhita K, Abigail M, Mehir S, Maryum A, Anika R, and Caroline V** placed third in Aeronautics at the 19th annual Young Astronaut Day held at NASA's Glenn Research Center on November 5. The team was one of the 28 schools and youth organizations to compete.

Teams came as far away as Columbus and Cincinnati to participate in fun and competitive events designed to stimulate student interest in aeronautics, space science, and engineering. When asked about the event **Linda Brown**, the 5-8 grade science teacher at Birchwood, said, "The Birchwood students showed great team work as they applied scientific problem solving throughout the day. I am very proud of their efforts and third place finish!"

###

The Birchwood School is a private, coeducational school in Cleveland, Ohio. Founded in 1984, Birchwood serves students in kindergarten through grade 8. Birchwood's mission is to provide an educational setting where challenging academics build solid work habits, an achievement culture nurtures healthy attitudes, and a caring environment forges social responsibility.
